## Business Leaders Supporting Healthy Communities

## What is it?

The **Tri-County Green Business Program** is a free certification program that recognizes local businesses for their resource efficiency efforts.

Businesses who participate will learn how to assess their energy and water consumption, waste generation and how to increase overall sustainability.

Businesses that take steps to reduce resource consumption and educate staff will become **"Green Business Certified"** and receive recognition and promotion for their efforts.

## Benefits:

- Free energy audits
- Free site assessments and technical assistance
- Improved environment for staff & customers
- Free marketing & publicity
- Build connections with other savvy businesses
- Reduce resource waste
  - Save money
